MANAGEMENT INFORMATION CIRCULAR
As at May 17, 2016

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR (“CIRCULAR”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY MANAGEMENT OF PANCONTINENTAL URANIUM CORPORATION (the “**Company**”) of proxies to be used at the annual and special meeting of shareholders of the Company to be held on Wednesday, June 22, 2016 at the offices of Irwin Lowy LLP, 365 Bay Street, Suite 400, Toronto, Ontario M5H 2V1 at the hour of 4:00 p.m. (Eastern time), and at any adjournment or postponement thereof (the “**Meeting**”) for the purposes set out in the enclosed notice of meeting (the “**Notice**”). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Company’s proxy solicitation materials (the “**Meeting Materials**”) to the beneficial owners of the common shares of the Company (the “**Common Shares**”) held of record by such parties. The Company may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Company. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Company in favour of the matters set forth in the Notice.

APPOINTMENT AND REVOCATION OF PROXIES

A holder of Common Shares who appears on the records maintained by the Company’s registrar and transfer agent as a registered holder of Common Shares (each a “**Registered Shareholder**”) may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice.

The purpose of a form of proxy is to designate persons who will vote on the shareholder’s behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Company. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the Company’s transfer agent and registrar, TMX Equity Transfer Services, at 200 University Avenue, Suite 300, Toronto, Ontario M5H 4H1 (the “**Transfer Agent**”), not later than 4:00 p.m. (Eastern time) on Monday, June 20, 2016 or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or, if the Registered Shareholder is a corporation, by an

authorized officer or attorney thereof, to (i) the registered office of the Company, located at 365 Bay Street, Suite 400, Toronto, Ontario, M5H 4H1, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders of the Company do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a non-registered holder (each a “**Non-Registered Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“**CDS**”)) (a “**Clearing Agency**”) of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities which they own (“**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Company or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company’s OBOs can expect to be contacted by their Intermediary. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

A. *Voting Instruction Form*. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a “**VIF**”). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

B. *Form of Proxy*. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder’s or its nominees name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Company consists of an unlimited number of Common Shares without par value. As of Friday, May 13, 2016 (the “**Record Date**”), there were a total of 82,538,104 Common Shares issued and outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every shareholder and proxy holder will have one vote and, on a poll, every shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the Company's directors and executive officers, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as set out under the heading "*Particulars of Matters to be Acted Upon*" below, no person who has been a director or an officer of the Company at any time since the beginning of its last completed financial year or any associate of any such director or officer has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the meeting, except as disclosed in this Circular.

To the knowledge of the board of directors of the Company (the "**Board**"), the only matters to be brought before the Meeting are those matters set forth in the accompanying Notice.

No vote will be taken on the financial statements. The financial statements and additional information concerning the Company are available under the Company's profile at www.sedar.com.

2. ELECTION OF DIRECTORS

The board currently consists of four directors. The following table states the names of the persons nominated by management for election as directors, any offices with the Company currently held by them, their principal occupations or employment, the period or periods of service as directors of the Company and the approximate number of voting securities of the Company beneficially owned, directly or indirectly, or over which control or direction is exercised as of the date hereof.

- (1) The information as to voting securities beneficially owned, controlled or directed, not being within the knowledge of the Company, has been furnished by the respective nominees individually.
- (2) Member of the Audit Committee.
- (3) Member of the Nominating Committee.

The term of office of each director will be from the date of the meeting at which he is elected until the next annual meeting, or until his successor is elected or appointed.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE ELECTION OF THE ABOVE-NAMED NOMINEES, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. Management has no reason to believe that any of the nominees will be unable to serve as a director but, **IF A NOMINEE IS FOR ANY REASON UNAVAILABLE TO SERVE AS A DIRECTOR, PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE REMAINING NOMINEES AND MAY BE VOTED FOR A SUBSTITUTE NOMINEE UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT OF THE ELECTION OF DIRECTORS.**

Corporate Cease Trade Orders or Bankruptcies

Other than as set forth below, no proposed director, within 10 years before the date of this Circular, has been a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to: (i) a cease trade order; (ii) an order similar to a cease trade order; or (iii) an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days (collectively, an “**Order**”) and that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Other than as set forth below, no proposed director, within 10 years before the date of this Circular, has been a director or executive officer of any company that, while the proposed director was acting in that capacity, or within a year of the proposed director ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Messrs. Mosher and Whalen were formerly directors and/or officers of High River Gold Mines Ltd., which was subject to a management cease trade order resulting from a failure to file financial statements. The cease trade was ordered on December 3, 2008, and subsequently rescinded on December 23, 2008.

Mr. Petroff was formerly a director and officer of Jaguar Mining Inc. which commenced a plan of compromise and arrangement pursuant to the *Companies’ Creditors Arrangement Act* in Ontario on December 23, 2013. Mr. Petroff resigned as a director and officer of Jaguar Mines Inc. on April 23, 2014.

Personal Bankruptcies

None of the directors of the Company have, within the 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such person.

Penalties and Sanctions

None of the directors of the Company have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

3. APPOINTMENT OF AUDITORS

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF COLLINS BARROW TORONTO LLP, CHARTERED ACCOUNTANTS, AS AUDITORS OF THE COMPANY TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. Collins Barrow Toronto LLP, Chartered Accountants were first appointed as the auditors of the Company on April 13, 2007.

4. APPROVAL OF STOCK OPTION PLAN

The Company has adopted a stock option plan (the “**Stock Option Plan**”) for officers, directors, employees and consultants of the Company. The Stock Option Plan provides for the issuance of stock options to acquire up to 10% of the Company’s issued and outstanding Common Shares as at the date of grant, subject to standard anti-dilution adjustment. This is a “rolling plan” as the number of Common Shares reserved for issuance pursuant to the grant of stock options will increase as the Company’s issued and outstanding share capital increases. At no time will more than 10% of the outstanding Common Shares be subject to grant under the Stock Option Plan. If a stock option expires, is exercised or otherwise terminates for any reason, the number of Common Shares in respect of that expired, exercised or terminated stock option shall again be available for the purpose of the Stock Option Plan. The principal features of the Stock Option Plan are described in more detail below (see “*Stock Option Plan Information*”).

The Stock Option Plan is a “rolling” stock option plan and under Policy 4.4 of the TSX Venture Exchange (“**TSXV**”), a listed company on the TSXV is required to obtain the approval of its shareholders for a “rolling” stock option plan at each annual meeting of shareholders. Accordingly, shareholders will be asked to approve the following resolution:

“BE IT RESOLVED THAT:

1. the stock option plan of the Company as described in the management information circular dated May 17, 2016, be and it is hereby approved.”

In accordance with the policies of the TSXV, the Stock Option Plan must be approved by the majority of votes cast at the Meeting on the resolution.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE STOCK OPTION PLAN UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.

5. AMENDMENT TO ARTICLES OF CONTINUANCE – CONSOLIDATION

Shareholders are being asked to pass a special resolution, the text of which is annexed as Exhibit “A” to the accompanying Notice, which would authorize the Company to amend the articles of continuance to enable, if required, the consolidation of the issued and outstanding Common Shares by changing up to five (5) Common Shares, or such lesser amount as the Board may determine, into one (1) Common Share.

To move forward, the Company will need to raise additional equity capital, but it may not be able to do so at existing prices or with its existing share capital structure. Accordingly the Board recommends that shareholders vote for the special resolution amending the articles of continuance.

Approval of the resolution does not mean the Board will implement up to a 1:5 consolidation, but it allows the Board the flexibility to negotiate financings, property acquisitions and business combinations on the basis of a consolidation of up to that level. Further, the Board may determine not to implement the consolidation at all if it deems it appropriate.

In the event that shareholders pass the special resolution to consolidate the Common Shares and the Board determines to consolidate on a one (1) for five (5) basis, the presently issued and outstanding 82,538,104 Common Shares will be consolidated into approximately 16,507,620 Common Shares. If the Board determines to consolidate the Common Shares on a lesser basis, more Common Shares will remain outstanding following the consolidation. If the consolidation would otherwise result in a shareholder holding a fraction of a Common Share, no fraction or fractional certificate will be issued and a shareholder will not receive a whole Common Share for each such fraction held. In all other respects, the post-consolidated Common Shares will have the same attributes as the existing Common Shares.

In addition to the requisite shareholder approval being sought at the Meeting, any such consolidation also requires approval of all applicable regulatory authorities. In order to pass the special resolution amending the articles of continuance, at least two-thirds of the votes cast at the Meeting must be voted in favour of the resolution. If the resolution amending the articles of continuance does not receive the requisite shareholder approval, the Company will continue with its present share capital.

If the Board decides to proceed with a consolidation of the Common Shares, a letter of transmittal will be mailed to Registered Shareholders, to be used by shareholders to exchange their current share certificates for certificates representing the consolidated number of Common Shares. No action is required by Non-Registered Holders, who hold securities of the Company through an intermediary, to effect consolidation of their beneficially held securities. A news release will also be issued announcing the effective date of the consolidation.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE ABOVE AMENDMENTS TO THE ARTICLES OF CONTINUANCE OF THE COMPANY UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT THE COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.

6. AMENDMENT TO ARTICLES – NAME CHANGE

Shareholders are being asked to pass a special resolution, the text of which is annexed as Exhibit “B” to the accompanying Notice, which would authorize the Company to change the name of the Company to “Pancontinental Gold Corporation” or such other name as the directors of the Company may determine.

In order to pass the special resolution amending the articles of continuance, at least two-thirds of the votes cast at the Meeting must be voted in favour of the resolution. If the resolution amending the articles of continuance does not receive the requisite shareholder approval, the Company will not proceed with the proposed name change of the Company. Shareholders are urged to vote in favour of this special resolution.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE ABOVE AMENDMENTS TO THE ARTICLES OF CONTINUANCE OF THE COMPANY UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT THE COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.

Stock Option Plan and other Incentive Plans

The Company has in place a Stock Option Plan which was approved by the shareholders on June 24, 2015.

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan. The purpose of the Stock Option Plan is to, among other things, encourage Common Share ownership in the Company by directors, officers, employees and consultants of the Company and its affiliates and other designated persons. Options may be granted under the Stock Option Plan only to directors, officers, employees and consultants of the Company and its subsidiaries and other designated persons as designated from time to time by the Board. The number of Common Shares which may be reserved for issuance under the Stock Option Plan is limited to 10% of the issued and outstanding Common Shares as at the date of the grant of options. Any Common Shares subject to an option which is exercised, or for any reason is cancelled or terminated prior to exercise, will be available for a subsequent grant under the Stock Option Plan. The option price of any Common Shares cannot be less than the market price of the Common Shares at the time of grant. Options granted under the Stock Option Plan may be exercised during a period not exceeding ten years, subject to earlier termination upon the termination of the optionee's employment, upon the optionee ceasing to be an employee, officer, director or consultant of the Company or any of its subsidiaries or ceasing to have a designated relationship with the Company, as applicable, or upon the optionee retiring, becoming permanently disabled or dying. The options are non-transferable. The Stock Option Plan contains provisions for adjustment in the number of Common Shares issuable thereunder in the event of a subdivision, consolidation, reclassification or change of the Common Shares, a merger or other relevant changes in the Company's capitalization. Subject to shareholder approval in

certain circumstances, the Board may from time to time amend or revise the terms of the Stock Option Plan or may terminate the Stock Option Plan at any time. The Stock Option Plan does not contain any provision for financial assistance by the Company in respect of options granted under the Stock Option Plan.

The Company has no equity compensation plans other than the Stock Option Plan.

On June 5, 2006, the Company entered into a management agreement, as amended, with Mr. Richard Mark and RJM and Associates (the “**Original R. Effective November 1, 2015, an amended management consulting agreement was entered into between the Company, Mr. Mark and RJMark Consulting Inc., a corporation controlled by Mr. Mark, (the “**Amended R. Mark Consulting Agreement**”) for Mr. Mark’s services as the President and Chief Executive Officer of the Company. Mr. Mark’s remuneration was reduced to \$1,500 per month. The Amended R. Mark Consulting Agreement is automatically renewed on a monthly basis, continues from year to year and may be terminated by the Company upon 30 days written notice and a lump-sum payment of \$1,500.

There are no employment agreements in place with any of the directors of the Company.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Company compensates its independent directors for pre-approved corporate activities as per diem of \$1,000 and reimburses its directors for any documented reasonable expenses or incidentals related to the performance of corporate activities. Other than as set out herein there are not other arrangements which directors were compensated by the Company or its subsidiaries. During the most recently completed financial year, no compensation was paid by the Company or its subsidiaries to the Company’s independent directors.

Compensation of Named Executive Officers

Principles of Executive Compensation

When determining the compensation of the Named Executive Officers, the Board considers the limited resources of the Company and the objectives of: (i) recruiting and retaining the executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and shareholders of the Company; and (iv) rewarding performance, both on an individual basis and with respect to the business in general. In order to achieve these objectives, the compensation paid to the Named Executive Officers consists of the following two components:

- (a) base fee or salary; and
- (b) long-term incentive in the form of stock options.

The Board is responsible for the Company's compensation policies and practices. The Board has the responsibility to review and make recommendations concerning the compensation of the directors of the Company and the Named Executive Officers within the constraints of the agreements described under "*Employment, Consulting and Management Agreements*". The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan. The Board and the nominating committee also review and approve the hiring of executive officers.

Base Salary

The Board approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on assessment of factors such as executive's performance, a consideration of competitive compensation levels in companies similar to the Company and a review of the performance of the Company as a whole and the role such executive played in such corporate performance. As of the date of this Circular, the Board had not, collectively, considered the implications of any risks associated with policies and practices regarding compensation of its directors or executive officers. The Company does not prohibit its Named Executive Officers or directors from purchasing financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officers or directors.

Annual Incentives

The Company is not currently awarding any annual incentives by way of cash bonuses. However, the Company, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day to day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan.

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit); or

REPORT ON GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 - *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (the “**Governance Guidelines**”) of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and

therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Company’s approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented.

The Company has implemented a Corporate Governance Policies and Procedures Manual (the “**Corporate Governance Manual**”) which is attached hereto as Appendix “B” in order to assist the Board in the exercise of its duties and responsibilities.

Board of Directors

The Board is currently composed of four directors. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* (“**Form 58-101F2**”) requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Company by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. Multilateral Instrument 52-110 – *Audit Committees* (“**MI 52-110**”) provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. Of the proposed nominees, Richard Mark, President and Chief Executive Officer is an executive of the Company and according to MI 52-101 is considered not “independent”. The remaining three proposed directors are considered by the Board to be “independent”, within the meaning of MI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors.

Directorships

The following table sets forth the directors, and proposed directors, of the Company who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuer
Richard Mark	Harvest Gold Corporation
David Mosher	Pelangio Exploration Inc. and Roscan Minerals Corporation
David Petroff	Foran Mining Corporation
Donald Whalen	Roscan Minerals Corporation and BacTech Environmental Corporation

Orientation and Continuing Education

The Board and the Company’s senior management will conduct orientation programs for new directors. The orientation programs will include presentations by management to familiarize new directors with the Company’s projects, strategic plans, its significant financial, accounting and risk management issues, its compliance programs, its code of business conduct and ethics, its principal officers, its internal and independent auditors and its outside legal advisors. In addition, the orientation program will include a review of the Company’s expectations of its directors in terms of time and effort, a review of the directors’ fiduciary duties and visits to Company headquarters and, to the extent practical, certain of the Company’s significant facilities.

To enable each director to better perform his or her duties and to recognize and deal appropriately with issues that arise, the Company will provide the directors with suggestions to undertake continuing director education, the cost of which will be borne by the Company.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct; but does promote ethical business conduct designed to promote integrity and to deter wrongdoing through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having a majority of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board are reviewed by the entire Board.

Other Board Committees

In addition to the Audit Committee, the Company has established a Nominating Committee.

Assessments

For information on what steps, if any, that the Board takes to satisfy itself that the Board, its committees and management are performing effectively, refer to section 9 of the Corporate Governance Manual.

OTHER MATTERS

The management of the Company knows of no other matters to come before the Meeting other than as set forth in the Notice of Meeting. **However, if other matters which are not known to management should properly come before the Meeting, the accompanying term of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.**

CORPORATE GOVERNANCE OVERVIEW AND GUIDELINES

1. Introduction

The Board of Directors of Pancontinental Uranium Corporation (the “Company”) has adopted these Corporate Governance Guidelines to assist the Board in the exercise of its duties and responsibilities. The Guidelines are to be applied in a manner consistent with applicable laws and the Company’s incorporating documents. The Board may modify or make exceptions to the Guidelines from time to time in its discretion and consistent with the duties and responsibilities owed to the Company and its shareholders.

2. Director Responsibilities

(a) **Oversee Management of the Company.** The principal responsibilities of the directors are to oversee the management of the Company and, in so doing, serve the best interests of the Company on behalf of its shareholders. These responsibilities require that the directors attend to the following:

- review and approve on a regular basis, and as the need arises, fundamental operating, financial, and other strategic corporate plans which take into account, among other things, the opportunities and risks of the business;
- evaluate the performance of the Company, including the appropriate use of corporate resources;
- evaluate the performance of, and oversee the progress and development of, senior management and take appropriate action, such as promotion, change in responsibility and termination;
- implement senior management succession plans;
- evaluate the Company’s compensation programs;
- establish a corporate environment that promotes timely and effective disclosure (including appropriate controls, procedures and incentives), fiscal accountability, high ethical standards and compliance with applicable laws and industry and community standards;
- evaluate the Company’s systems to identify and manage the risks faced by the Company;
- review and decide upon material transactions and commitments;
- develop a corporate governance structure that allows and encourages the Board to fulfill its responsibilities;
- provide assistance to the Company’s senior management, including guidance on those matters that require Board involvement; and
- evaluate the overall effectiveness of the Board and its committees.

(b) **Exercise Business Judgment.** In discharging their fiduciary duties of care, loyalty and candor, directors are expected to exercise their business judgment to act in what they reasonably and honestly believe to be the best interests of the Company and its shareholders free from personal interests. In discharging their duties, when appropriate, the directors normally are entitled to rely on the Company’s senior executives and its outside advisors, auditors and legal counsel but also should consider second opinions where circumstances warrant.

(c) **Understand the Company and its Business.** Directors are expected to become and remain informed about the Company and its business, properties, risks and prospects.

(d) **Establish Effective Systems.** Directors are responsible for determining that effective systems are in place for the periodic and timely reporting to the Board on important matters concerning the Company. Directors should also provide for periodic reviews of the integrity of the Company's internal controls and management information systems.

(e) **Protect Confidentiality and Proprietary Information.** Directors are responsible for establishing policies that are intended to protect the Company's confidential and proprietary information from unauthorized or inappropriate disclosure. Likewise, all discussions and proceedings of the Board of Directors must be treated as strictly confidential and privileged to preserve open discussions between directors and to protect the confidentiality of Board discussions.

(f) **Board, Committee and Shareholder Meetings.** Directors are responsible for attending Board meetings and meetings of committees on which they serve. They must devote the time needed, and meet as frequently as necessary, to properly discharge their responsibilities. Directors who reside in or near the city where the Company holds a shareholders' meeting are expected to make a reasonable effort to attend such meeting.

(g) **Indemnification.** The directors are entitled to Company-provided indemnification through corporate articles and by-laws, corporate statutes, indemnity agreements and, when available on reasonable terms, directors' and officers' liability insurance.

3. **Director Qualification Standards**

(a) **Independence.** The Board will ensure it has at all times at least the minimum number of the members of the Board who meet applicable standards of director independence. For members of the Audit Committee, director independence is to be determined in accordance with those legal and stock exchange independence standards applicable to the Company's Audit Committee. Those standards are appended to the Audit Committee Charter. For other purposes, the Board will, from time to time, establish independence standards that (i) comply with applicable legal and stock exchange requirements and (ii) are designed to ensure that the director does not have, directly or indirectly, a financial, legal or other relationship with the Company that would reasonably interfere with the exercise of independent judgment in carrying out the responsibilities of the director.

(b) **Size and Skills of Board.** The Board believes that a Board comprised of 4 to 6 members is an appropriate size given the Company's present circumstances. The Board also believes that a majority of the directors should be independent under the standards currently in effect. The Board will also consider the competencies and skills that the Board, as a whole, should possess and the competencies and skills of each director.

(c) **Other Directorships.** The Board does not believe that its members should be prohibited or discouraged from serving on boards of other organizations, and the Board does not propose any specific policies limiting such activities, providing they do not reduce a director's effectiveness or result in a continuing conflict of interest. However, the Board should take into account the nature of and time involved in a director's service on other boards in evaluating the suitability of individual directors and in making its recommendations.

(d) **Tenure.** The Board does not believe it should establish director term limits. Term limits could result in the loss of directors who have been able to develop, over a period of time, significant insight into the Company and its operations and an institutional memory that benefits the Board as well as management. As an alternative to term limits, the Board will review each director's continuation on the Board annually. This will allow each director the opportunity to confirm his or her desire to continue as a member of the Board and allow the Company to replace directors where the Board makes a determination in that regard.

(e) **Offices of Chairman and CEO.** The Board will select a Chairman of the Board in a manner and upon the criteria that the Board deems appropriate at the time of selection. In circumstances where the Board determines to appoint an executive of the Company as Chairman of the Board, the Board will

separately appoint an independent director to serve in the capacity as “lead director”, as that role is contemplated by National Policy 58-201.

(f) **Selection of New Director Candidates.** Except where the Company is legally required by contract, law or otherwise to provide third parties with the right to nominate directors, the Board will be responsible for identifying individuals qualified to become Board members, consistent with criteria approved by the Board.

(g) **Extending the Invitation to a New Director Candidate to Join the Board.** An invitation to join the Board will be extended by the Chairman of the Board when authorized by the Board.

4. **Board Meetings**

(a) **Selection of Agenda Items.** The Chairman of the Board shall propose an agenda for each Board meeting. Each Board member is free to request the inclusion of other agenda items and is generally free to request at any Board meeting the consideration of subjects that are not on the agenda for that meeting, although voting on matters so raised may be deferred to another meeting to permit proper preparation for a vote on an unscheduled matter (emergencies excepted).

(b) **Frequency and Length of Meetings.** The Chairman of the Board, in consultation with the members of the Board, will normally determine the frequency and length of Board meetings however, the ultimate power in this regard rests with the plenary Board. Special meetings may be called from time to time as required to address the needs of the Company’s business.
